**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Last year the terrible wildfires in Sonoma County cut off our cable and cable phone service. I have heart disease and have had to contact 911 for emergency care. If that occurred while our communication was down, I would not have probably survived. After that scare, we had Sonic Net install their service at home, as they were the only communication provider in our whole town of Guerneville that was able to provide service, for a whole day. I do not want that taken away, because of AT& T. They do not even provide cell service in our town that works. We really need the reliable service of Sonic Net. They have been an excellent employer and communication provider in not only Sonoma County, but the San Francisco Bay Area.
